#### SMOKE SHOP PRIVATE SELECTION

The Smoke Shop holds a sizable private collection of unique, hand-selected barrels. These whiskies are tasted and selected by members of our team for their unique flavors and proof compared to the other varieties of their brands. We purchase the entire barrel and have it bottled just for our guests to enjoy here and only here. We also curate these to be the perfect pairing with Boston's Best BBQ to ensure an exceptional and unique dining experience.

# WHISKEY WISDOM

## FROM ANDY HUSBANDS

*“Whiskey and BBQ go hand in hand, much like the centuries-old practice of pairing wine with food. American whiskey’s flavors can include sweet, smoke, spice, vanilla, toasted oak, etc., mimicking & enhancing the BBQ experience. If you want one more reason to order a glass, whiskey means “the water of life,” it’s the perfect beverage to toast life’s special moments and create memories with our friends and family.”*

**- Andy Husbands**

## FROM THE BOOKS

*“Too much of anything is bad, but too much good whiskey is barely enough.”*

**~ Mark Twain**

*“Whisky is liquid sunshine.”*

**~ George Bernard Shaw**

*“I wish to live to 150 years old, but the day I die, I wish it to be with a cigarette in one hand and a glass of whiskey in the other.”*

**~ Ava Gardner**

*“You can handle just about anything that comes at you out on the road with a believable grin, common sense and whiskey.”*

**~ Bill Murray**
