

Why BBQ?

Choose BBQ when you want your guests to come together and share a memory. BBQ is more than just slow-smoked ribs, juicy brisket with its signature pink smoke ring, or creamy, tangy cole slaw. It is a cuisine perfected over time, inviting us to slow down and focus on the people and moments we cherish most.

Why the Smoke Shop BBQ?

Our BBQ is unlike any other in the region. It is not Texas or Kansas City Q, nor is it Memphis or Carolina style. It is Andy's tribute to the heritage of American BBQ. And, our blend of oak and cherry hardwood and our secret spices and sauces may have a **little** lot to do with the incredible flavor.

Who is Andy anyway?

Andy Husbands, our Pitmaster and founder, is a formally trained chef who operated an American bistro and bar in Boston for more than two decades. But it is his experience on the BBQ competition circuit and the decades spent perfecting his recipes that has made Andy one of the most sought after BBQ experts in New England.
